When we leave Jones, we'll take all the lessons we have learned
If they came out of the Book or not,
We'll certainly take those grades we have earned
Never forgetting the memories good and bad.
Unlike most people, after leaving school we would probably remember all the values we acquired.
Oh, yes! the interviews for an all important job,
We will never forget all the time it took,
So what do they mean by "Don't Leave Jones Without It?"
Could there still be more?
More than what we learned and earned?
Yes, obviously there's still more and more.
Is it the fact that our school is one of a kind?
And since we're Jonesites we are also unique.
Is it the standards that our teachers have tried to instill in us
Setting us apart from all the rest,
Making all our graudates the very best?

DON'T LEAVE JONES WITHOUT IT.

Jones Commercial is a business school that focuses on the aspects of business and the business world. When focusing on the title DON'T LEAVE JONES WITHOUT IT, there are many words you can substitute for "it."

Many people feels it's a business sense of mind because of the training and education one receives. Some say grooming standards because of the moral codes one develops in dressing and hygiene. Still others say poise because of the posture standards one develops during training in grooming classes. Don't forget personality because of the professional atmosphere a person is surrounded by.

Many students first attend Jones because it starts you on the Road to Success in the business world. It also helps you to discover and make up your mind when choosing a career. In conclusion, with the opinion of the Jonesites, we have summarized the title:

A. Business sense of mind
B. Personality
C. Poise
D. Grooming Standards
E. Skills
F. Success

Many students who have graduated from Jones rejoice in knowing they have crossed the Bay and accomplished the Fleet. Be a true Jonesite. You didn't have to but you chose not to Leave Jones Without It.

The Blood drive was held on the forth and fifth of November of 1981. Red Cross came out to direct the super supporting blood raising fund, which was sponsored by the Jones Athletic Association board members. Out of all the public highschools Red Cross went to, Jones Commercial had the highest number of participating students. J.A.A. board members would like to thank 84 people who donated blood, and everyone who helped participate in this wonderful, progressive fund.

JONES COMMERCIAL HIGH SCHOOL'S FORTIETH ANNUAL CAREER FASHION AND VARIETY SHOW.

Jones Commericial High School's Fortieth Annual Career Fashion Show was held on Sunday, Nov. 15, 1981, at 1 p.m. at the Conrad Hilton Hotel in the International Ballroom. The title of the show this year was "DON'T LEAVE JONES WITHOUT IT". Over five hundred Jones' students and over twenty Jones' teachers participated in the show to make it another great success for Jones. The many models showed poise and sophisticiation. Exuberant talent was demonstrated by many.

"THE AFRO CLUB" gave us "culture" with FAME. THE LATIN CLUB had us traveling "SOUTH of the Border". Back at home the GOSPEL CHORUS put everyone in a spiritual mood with "MAKE ME BETTER LORD" and "ARE YOU READY?" Sometimes it is good to reminisce. We were able to "Roar-in-20's" with the "CHARLESTON". Kimberly Moore danced for us and Willie Neely was Jones' "BEETHOVEN." JONES CHORUS was also in on the show. If you really wanted to laugh, the "Romeo and Juliet" skit was for you.

The highlight of the show was the crowing of Mr. and Miss Business. The winners for "1982" were Jeffrey Sims, Valerie Johnson and Theresa Madrid.

A MOCK TRIAL??

On November 14, 1981, several students from Mrs. Billingsley's Afro-American History classes attended a Mock-trial at the Daley Center under the leadership of Judge William Cousins. There were 12 students who served as jurors. This was a very wonderful experience for everyone who attended, and we thank Judge Cousins for inviting the students of Jones to be of Civil Service.

On June 4, 1982, approximately 170 students who were already 18 years or would be by November 2, 1982, went to the Board of Election Commissioner to get registered to vote for the next election. The students were greeted by Alderman R. Shaw. Shaw remained with the students until they had an audience with Mayor Jane M. Byrne, who after checking on employment of students at Jones, offered them 25 jobs. Others greeting the students were Commissioner Corneal Davis, Commissioner James Nolan, Chairman Michael Lavelle, Ms. Connie Daplan, Thomas Leach and Alderman Vito Marzullo. Mrs. Billingsley is sponsor.

VOTER'S REGISTRATION

So help me God.

Mrs. Phillis M. Miceli, the wife of acting Principal William Miceli, showed the students around.

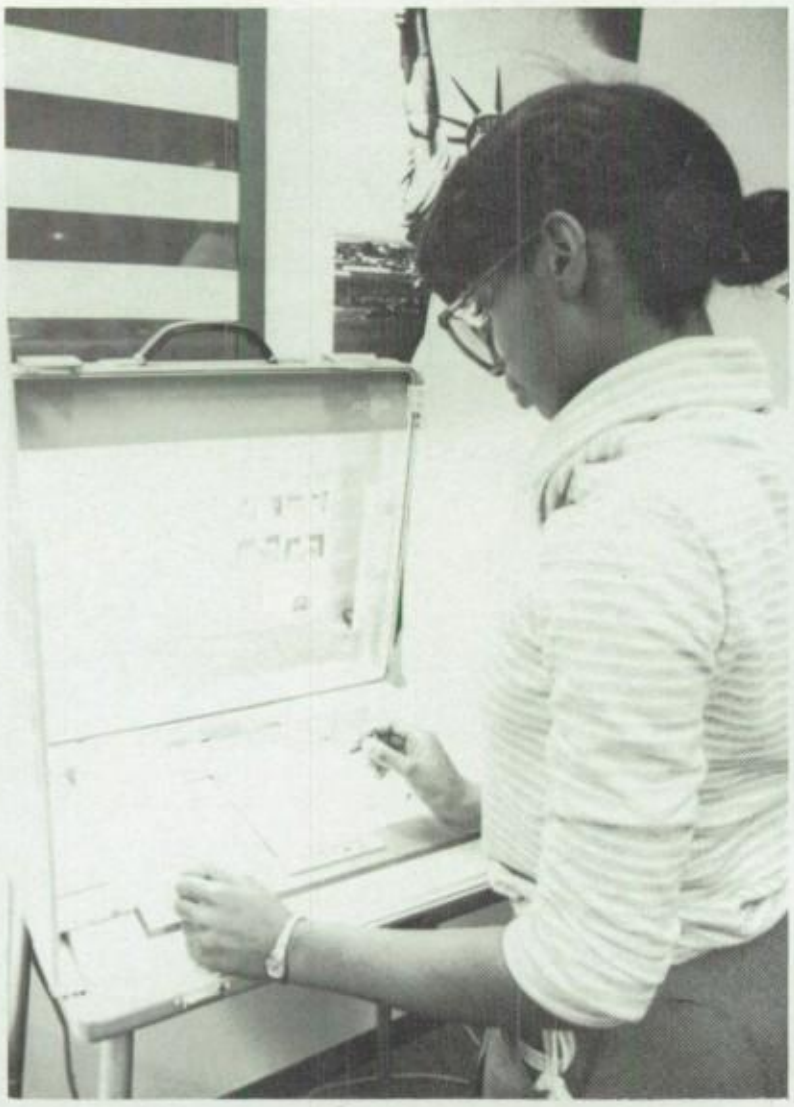
Now let me see.



Observing the use of the new voting machine.

Mayor Jane Byrne greeted the Jonesites. Mrs. Miceli was one of the first students at Jones to register to vote through the Jones Voter Registration March. There were 82 students who voted last fall. This total comes to 248. Other students unable to register with the classes went at other times-making the newly registered voters at Jones at over 250.

Commissioner Newbold was very helpful to the Jonesites.

Commissioner William Blair poses with Linda Hawkins, Michael White and Mrs. Billingsley, sponsor of the trip.

DR. RUTH LOVE VISITS JONES

Dr. Ruth Love, Superintendent of Chicago Board of Education visited with Jones Commercial and was pleased with what she saw.

Mrs. Mildred Jennings — Personality and Grooming Teacher.

MRS. O'CONNOR, WE LOVE YOU!

Mrs. Mary O'Connor served at Jones for seventeen long years. She once said that these were the most interesting seventeen years of her life. It was all fun and games, but to see her at work would not make you believe this. She never stopped working! She had a "computer" mind. She never forgot a name or a face. She loved working and proved it. She also loved the staff and students-everything except the telephone.

Clark Kent greets Mrs. O'Connor with a song.

Superman finishes the song with style.

ARE THEY GETTING MARRIED??

We, the students of Jones Commercial, decided to do more than say, "I love you," on St. Valentine's Day. We had a mock wedding. Many couples were married for a day — ha! ha! Samuel Willis was the minister who joined these couples together.

THE EMPLOYERS' BREAKFAST

The Employers' Breakfast, which took place on May 14, 1982, was a success and a great accomplishment for the senior class of 1982. Many of the employers were amazed to see how well-groomed all the students were. The Breakfast presented a great opportunity for the Employers to be introduced to Jones, its program, and faculty. It also gives the students a chance to say "Thank You" to their employers for all the work experience they have given them. The Tour Guides helped.

LETTER TO '81 - '82 GRADUATES

Dear Class of Nineteen Hundred Eighty-Two:

You are quite unique. You have earned two contradictory appellations — the "first" and the "last." You are the first full "Decade of the Eighties" graduates; but yet the last class to participate in the commencement exercise of Jones Commercial High School. The young people following you will matriculate at Jones Metropolitan High School of Business and Commerce.

As of June eighteenth, Jones will join your Fund of Memories. No matter what the name of our institution, I hope that you will recall Jones with the fondness and appreciation with which I shall think of you.

You have attained a major goal, an entree to maturity and young adulthood. Show the world that you are eager and prepared to meet its challenges. I hope that Jones has equipped you personally and technically to realize all of your aspirations. Make no little plans. Set your goals high, but temper them with planning and patience.

May the doors of opportunity continue to open for you always.

Life's Dream

Life is very trying.
But men struggle on.
Pain.
Weakness.
Doubt.
Hate.
The aspects of the world
Then why do we not give up?
There is a reason.
No matter what happens.
We will never stop dreaming,
Until our dream is fulfilled.

By Rochelle Howard

Now

I wish I had known you from Yesterdays before.
I hope to know you for Tomorrows beyond.
But each moment we share in the present is more precious than those of the past and future.
For the past is gone and only memories to grasp.
The future is yet to be material and of what will happen, are only dreams.
But the present I share with You.
And for that I am thankful.

By Rochelle Howard

Reflections of Time

Many feel that time is on their hands.
Unfortunately for man, idle time does not stand.
It will pause for a moment, then hurry away;
Before we realize it, there's another new day.
We must live each moment as if it were our last,
For it's up to God what is the present, the future, and the past
So keep in mind when you have time to spare.
Help someone in need, show them you care.

I SERVE A LIVING GOD
by Carol Virgie Young, 210

I serve a living God, a God who can do all things;
A God who can make the birds fly and make the flowers grow;
A God who can make the rains pour in the Springtime;
A God who gave me all I have, and all that I need;
A God who gave me a voice to talk and a voice to sing.
This God who loves me, loves you,
God can always be with us.
God watches over us day and night.
This God gave us his Son who died on the cross,
Just to save a sinner like me.
He got up on Sunday morning.
All of this for love.
If it were not for the Lord, Jesus Christ, My Savior,
Where would I be?
So if you do not yet serve a living God like me,
Get to Jesus Christ, my Savior,
He'll be your all in all.

TIME

Time is time put to effort;
Time is rhythm put to rhyme.
Time is a person in need;
Time is suffering and greed.
Time is suffering and greed.
Time is the world in which we live;
Time is the freedom to take and give.
Time is time in which we think;
Time is the liquid in which we drink.
In simple words you see;
Time is a specialty to me.

By Terrie Austell

"BE GRATEFUL"

Be grateful for what you have,
Because you have been blessed.
No matter what the amount is,
There's someone in this world with less.
Be grateful for a friend,
For a true friend is hard to come by.
So when you find one faithful and true,
Trade not the old for the new.
Be grateful that there's a GOD to help you
when you are troubled.
For if he did not exist,
The tension in this world would be doubled.

GRADUATION-1982

Time has come at last!!

STUDENT'S PRAYER

Now I lay me down to study,
I pray the Lord I won't go nutty.
If I should fail to learn this junk,
I pray the Lord I will not Flunk.
But if I don't shed a tear,
Just put a rose behind my ear.
Tell my teacher I did my best,
Then pile my books upon my chest.
If I should die before I wake,
That's one less test I'll have to take!!!

Lord, help me to get it fixed!!
